fiw.thws

Faculty of Computer Science and Business Information Systems

Technical University of Applied Sciences Würzburg-Schweinfurt

WELCOME!

Welcome Event of the

Master’s Programme Artificial Intelligence

mai.thws.de

Programme

13:00 - 13:10

Welcoming by the Dean of the Faculty of Computer Science and Business Information Systems

Prof. Dr. Frank-Michael Schleif

13:10 - 14:30

Important information concerning the **study programme** and the modules (MAI Programme Leader)

Prof. Dr. Pascal Meißner

14:30 - 15:00

Information on **German courses** (Campus for Language Proficiency)

Dr. Eleonore Lemmerich

15:00 - open end

SHL + CAIRO **Campus Tour**

MAI students (3rd semester)

Master - Artificial Intelligence

Frank-Michael Schleif

Program Leader: Pascal Meissner

- Read and know the study policies
- Decide which exams you are ready for
- Sign Up for the exams - `campusportal.thws.de`

Tutors

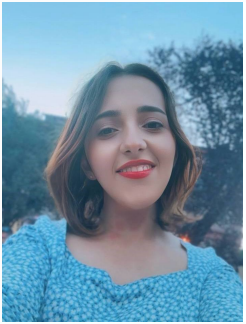

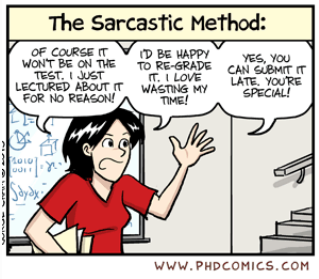

Figure: We have two tutors Sahar Moghtaderi and Abdelrahman Elsisy for MAI which are happy to answer questions. Further information will be provided at the MAI webpage. `https://mai.thws.de/en/advice-and-service/`

Teaching style

Teaching may be very different to what you are used to

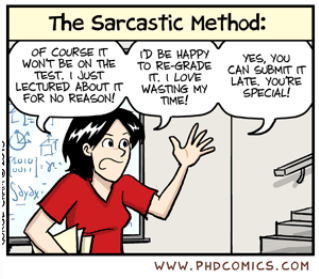

- lectures and exercises are often interweaved

Teaching style

Teaching may be very different to what you are used to

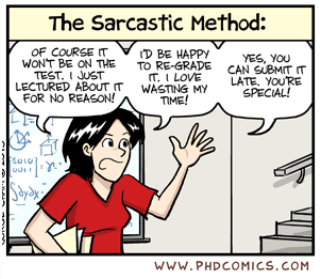

- lectures and exercises are often interweaved
- learning does not stop in the class room - use the time around!

Teaching style

Teaching may be very different to what you are used to

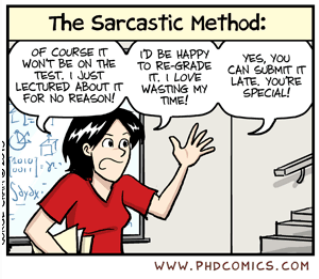

- lectures and exercises are often interweaved
- learning does not stop in the class room - use the time around!
- homework (also unmarked) is an essential part

Teaching style

Teaching may be very different to what you are used to

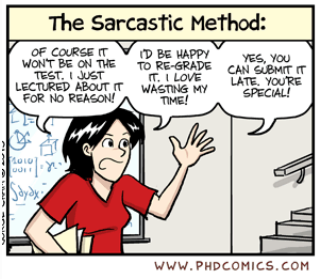

- lectures and exercises are often interweaved
- learning does not stop in the class room - use the time around!
- homework (also unmarked) is an essential part
- teaching is expected to be interactive (ask and answer to questions)

Teaching style

Teaching may be very different to what you are used to

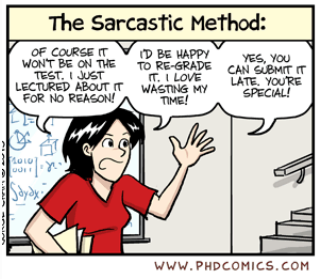

- lectures and exercises are often interweaved
- learning does not stop in the class room - use the time around!
- homework (also unmarked) is an essential part
- teaching is expected to be interactive (ask and answer to questions)
- the lecture material is not a script - take notes, read suggested literature . . .

Teaching style

Teaching may be very different to what you are used to

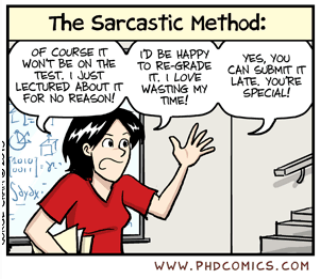

- lectures and exercises are often interweaved
- learning does not stop in the class room - use the time around!
- homework (also unmarked) is an essential part
- teaching is expected to be interactive (ask and answer to questions)
- the lecture material is not a script - take notes, read suggested literature . . .
- prepare for the exam early enough

Teaching style

Teaching may be very different to what you are used to

- lectures and exercises are often interweaved
- learning does not stop in the class room - use the time around!
- homework (also unmarked) is an essential part
- teaching is expected to be interactive (ask and answer to questions)
- the lecture material is not a script - take notes, read suggested literature . . .
- prepare for the exam early enough
- exams are in general transfer based (Learning by heart is absolutely not sufficient)

It can be a lot of fun!

Exams I

- THWS calendar: `https://www.thws.de/beratung-und-service/bewerbung-immatrikulation-pruefungen-praktikum/`

Exams I

- THWS calendar: `https://www.thws.de/beratung-und-service/bewerbung-immatrikulation-pruefungen-praktikum/`
- Official rules are only those given in the SPO /APO see `mai.thws.de/en`

Exams I

- THWS calendar: `https://www.thws.de/beratung-und-service/bewerbung-immatrikulation-pruefungen-praktikum/`
- Official rules are only those given in the SPO /APO see `mai.thws.de/en`
- If your final bachelor certificate was not ready it must be shown to HSST until the first exam period starts

Exams I

- THWS calendar: `https://www.thws.de/beratung-und-service/bewerbung-immatrikulation-pruefungen-praktikum/`
- Official rules are only those given in the SPO /APO see `mai.thws.de/en`
- If your final bachelor certificate was not ready it must be shown to HSST until the first exam period starts
- You do not have to take all exams scheduled in the plan (be responsible)

Exams I

- THWS calendar: https://www.thws.de/beratung-und-service/bewerbung-immatrikulation-pruefungen-praktikum/
- Official rules are only those given in the SPO /APO see mai.thws.de/en
- If your final bachelor certificate was not ready it must be shown to HSST until the first exam period starts
- You do not have to take all exams scheduled in the plan (be responsible)
- No prep-courses for an exam; we do not provide older exams for self-tests

Exams I

- THWS calendar: https://www.thws.de/beratung-und-service/bewerbung-immatrikulation-pruefungen-praktikum/
- Official rules are only those given in the SPO /APO see mai.thws.de/en
- If your final bachelor certificate was not ready it must be shown to HSST until the first exam period starts
- You do not have to take all exams scheduled in the plan (be responsible)
- No prep-courses for an exam; we do not provide older exams for self-tests
- If you feel unprepared do not register for the exam (or de-register early enough)

Exams I

- THWS calendar: https://www.thws.de/beratung-und-service/bewerbung-immatrikulation-pruefungen-praktikum/
- Official rules are only those given in the SPO /APO see mai.thws.de/en
- If your final bachelor certificate was not ready it must be shown to HSST until the first exam period starts
- You do not have to take all exams scheduled in the plan (be responsible)
- No prep-courses for an exam; we do not provide older exams for self-tests
- If you feel unprepared do not register for the exam (or de-register early enough)
- Portfolio runs over the semester (as soon as you submit something you are in) - ill during an assignment? (see above)

Exams II

- (De-)register for exams at the Campus portal `https://campusportal.thws.de/`

Exams II

- (De-)register for exams at the Campus portal `https://campusportal.thws.de/`
- You are ill? - let us know (HSST) + get a sick certificate (clinician)

Exams II

- (De-)register for exams at the Campus portal `https://campusportal.thws.de/`
- You are ill? - let us know (HSST) + get a sick certificate (clinician)
- You can postpone exams (see SPO) and repeat twice!

Exams II

- (De-)register for exams at the Campus portal `https://campusportal.thws.de/`
- You are ill? - let us know (HSST) + get a sick certificate (clinician)
- You can postpone exams (see SPO) and repeat twice!
- Strict deadlines until which semester all modules have to be tried at least once

Exams II

- (De-)register for exams at the Campus portal `https://campusportal.thws.de/`
- You are ill? - let us know (HSST) + get a sick certificate (clinician)
- You can postpone exams (see SPO) and repeat twice!
- Strict deadlines until which semester all modules have to be tried at least once
- In two modules you can improve grades upon request (form)

Exams II

- (De-)register for exams at the Campus portal `https://campusportal.thws.de/`
- You are ill? - let us know (HSST) + get a sick certificate (clinician)
- You can postpone exams (see SPO) and repeat twice!
- Strict deadlines until which semester all modules have to be tried at least once
- In two modules you can improve grades upon request (form)
- You can take more than two electives and select the two best grades (only upto 4 extra modules can be listed in your certificate)

Exams II

- (De-)register for exams at the Campus portal `https://campusportal.thws.de/`
- You are ill? - let us know (HSST) + get a sick certificate (clinician)
- You can postpone exams (see SPO) and repeat twice!
- Strict deadlines until which semester all modules have to be tried at least once
- In two modules you can improve grades upon request (form)
- You can take more than two electives and select the two best grades (only upto 4 extra modules can be listed in your certificate)
- Do not forget to take your extra credits (if needed, within two semesters)

Exams II

- (De-)register for exams at the Campus portal `https://campusportal.thws.de/`
- You are ill? - let us know (HSST) + get a sick certificate (clinician)
- You can postpone exams (see SPO) and repeat twice!
- Strict deadlines until which semester all modules have to be tried at least once
- In two modules you can improve grades upon request (form)
- You can take more than two electives and select the two best grades (only upto 4 extra modules can be listed in your certificate)
- Do not forget to take your extra credits (if needed, within two semesters)

We have always strict deadlines and we like forms!

Step II

	SWS	4	8	12	16	20	24
	ECTS Points	5	10	15	20	25	30
Semester	2	Introduction to the Ethics and Regulations of AI	Fundamentals of Mobile Robotics	Natural Language Processing	Computer Vision	Project Module	

Figure: https://mai.THWS.de/

Projects

- You need to take at least 1 project (equals two courses) over your study
- Projects only start in the winter (not in the summer!)
- We will have a short presentation of some projects at the start of next semester
- Are changing over time - we do not ensure that the project is offered again
- Some projects are provided by externals (from industry)
- Offers are listed on E-Learning
- You decide what project you take - you need to have / find / setup a team (3-4 students)

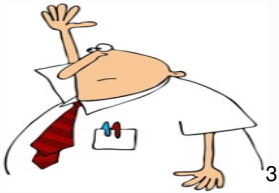

Step III

	SWS	4	8	12	16	20	24
	ECTS Points	5	10	15	20	25	30
Semester	3	Master's Thesis					Elective 2

Figure: `https://mai.THWS.de/`

Questions?

 [3]

[3] From http://www.simpliteach.com

Where do I find ...

Rooms: lectures, seminars, project work and electives are done here:

4

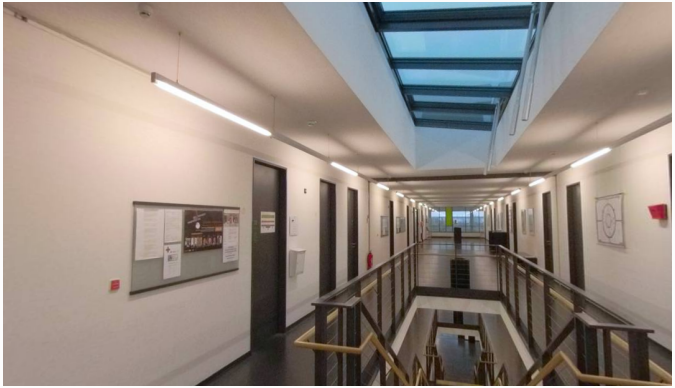

Figure: `https://fiw.THWS.de/`

or in the CAIRO Building (Franz Horn Strasse 2, Zellerau)

[4] `https://fiw.THWS.de/en/our-faculty/our-building/`

Where do I find ...

Examination office - in the ground floor (not shown), dean's office in the third floor

[4]

Figure: Dean's office (note the white post box!) `https://fiw.THWS.de/`

[4] `https://fiw.THWS.de/en/our-faculty/our-building/`

Where do I find ...

Your professors, lecturers, seminar managers, research assistants

Figure: . . . are hard to catch - please email first!

. . . or make an appointment (`https://fiw.THWS.de/fakultaet/personen/`)

Where do I find ...

Your MAI professors with the research groups and some labs

Figure: . . . may be also in the CAIRO building!

. . . this is in the Zellerau

Where do I find ...

Course material and communication via E-Learning:

- one **E-Learning** course per module - see `https://elearning.THWS.de/`
- some material could be at the **THWS cloud**: `https://cloud.THWS.de/`
- the **library** - many literature online: `https://bibliothek.THWS.de/en/`
- we have a branch of the library in the second floor (use it)

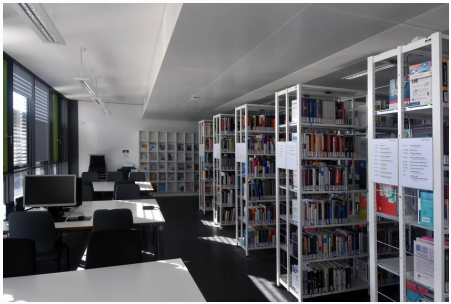

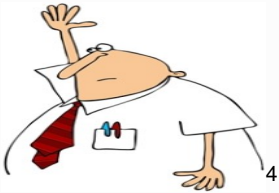

Figure: FIW library

www.thws.de/clp

English courses B2-C1

General information on our German courses

Course fee incl. exam

- €285 for THWS students & THWS student applicants with a letter of admission
- €489 for THWS student applicants without a letter of admission & external course participants
- Link: information regarding invoice/payment
- The course fee does not include the textbook.

Please note: The fees have to be paid, unless you withdraw from the course within the cancellation period (within 14 days after registration) via the withdrawal form.

All offers are subject to change!
A minimum number of participants is required for all courses.
The registration period may close early if the number of registrations exceeds the number of available spots.

Not sure which course to choose?

Simply take a free online test first, and find out more about your language level:
